These services help us reduce costs.

Pool Safety Reminders

As always, we know that you are anticipating the fast approaching summer season, and we look forward to the return of our summer friends.

One of our most popular amenities is our swimming pools. Iron Blossam has maintained an excellent safety and health record and we can sustain this with your help.

It is important that owners and guests be aware of safety and health regulations. In addition to the posted rules at each pool, we want to stress a few specific concerns from previous years.

State law requires that children 14 and under be accompanied by an adult at all times. Please monitor and watch your children closely.

Recently, the Salt Lake Valley Health

Department regulations have been ammended to prevent new outbreak of pool related illnesses. Children three and under are required to wear swim diapers if they are not toilet trained. Changing diapers is prohibited at pool side. Shower before entering pools and wash your hands after using the restroom or changing diapers. Chlorine and chemical levels are higher to ensure your health and safety. We recommend that individuals with sensitive skin, especially younger children, shower afer using the pool. Please check the care label of your swimsuit to avoid fading or damage. Thanks again for your attention to these regulations and suggestions. We want your family and guests to have a healthy and safe vacation experience.

Check for the latest updates prior to your arrival at www.ironblossam.net.
Once again, we look forward to your upcoming visit!

Check-In/Out

We realize, and love the fact, that our owners are always very eager to arrive and start their vacation at the Iron Blossam.

We would like to remind everyone that Saturdays from 9 to 10:00 a.m. and 4 to 6:00 p.m. are prime check-in/out times and are therefore extremely busy. During these hours, please be aware that the 34-year-old elevators, our staff, and our loading areas are most likely extended to capacity. Thank you for your patience during these surges in operating levels.

The Iron Blossam staff provides luggage storage for early arrivals or late departures.

• Helpful Hints

Plan ahead! Pre-load your vehicle the night before with unneeded items.

Depart earlier than the peak check-out time - 9 to 10:00 a.m., and arrive later than peak check-in time - 4 to 6:00 p.m. Owner occupancy does not begin until 4:00 p.m. - therefore we do not suggest early arrivals. Units may not be occupied until the completion of housekeeping services.

Please do not keep luggage carts for extended periods or overnight.

Expanded Parking Now Available

This summer, additional parking is available in the paved area just east of the summer tennis courts. Please remember to register all vehicles with the Front Desk.

Items Available for Check-Out

Specialty items are available for check-out. We have various items ranging from specialty kitchen utensils, cd players and bathroom safety fixtures that may be checked out for free from our housekeeping office. Please note that cooking utensils may not be checked out to bedroom units.

Important House Rule Reminders

Iron Blossam is always a popular and busy place. It is important to respect the facility and to work together to maintain the value of your investment, as well as your valuable vacation time. We want to remind our owners of some of the specific challenges we have faced in the past in hopes of alleviating them in the future.

Occupancy Restrictions:

Usage of units, pools and spa facilities is restricted to the occupancy levels of your particular unit. House Rule 17 stipulates: Units shall have the maximum occupancy of no more than four persons per room (loft suites equal two rooms). If from time to time, the usage of a particular unit must be temporarily expanded, it may only be done with the express permission of Lodge Management and a fee be assessed, payable in advance of such usage on a per-person basis as set forth by the board of directors. Under no circumstances will this excess be more than six persons per unit.

Owner Responsibility:

Owners are responsible for the conduct of their guests. Please ensure that your guests of all ages are aware of House Rules and appropriate manners and conduct while visiting the Iron Blossam. Please note that Owners' may be held financially responsible for damages to facilities or House Rule violations.

West Pool Age Restrictions:

The West Pool, entire spa area, steam room, hot tub and exercise room are restricted to owners and guests who are 18 years of age and older.

Use of outdoor cooking grills is strictly prohibited on all decks and balconies.

Making memories to match our mountain.
